

# MTM PHOTO CONTEST

## Rules and Entry Form

**A. Ownership and copyrights** of all entries are retained by the photographer. The Motor Transport Museum retains "Rights of Use" of any and all photos taken on the premises of the Motor Transport Museum which are submitted to the Motor Transport Museum for use in this and/or any other contest, photo gallery, advertisement, etc. which is sponsored by the Motor Transport Museum. Motor Transport Museum will always attempt to inform the photographer when they exercise their "Rights of Use" and will display the photographers' copyright information along with the photograph when it is displayed. It is to be understood by the photographer that all photos sent to the Motor Transport Museum are considered to be a donation to be used by the Museum strictly for "Not For Profit" purposes under our Non Profit, 501c guidelines.

**B. Winners** are decided by the largest amount of votes placed by voting visitors of the Motor Transport Museum. Visitors of the museum are allowed only one vote per month for monthly contests and one vote per quarter for quarterly contests. Participants of the contest are not allowed to vote. All voters must be 18 years of age or over. In cases where less than 20 votes are placed per contest, votes held by the Museum's Board Of Directors and Members will be the deciding factor.

**C. All contest entries must include both:**

A high-resolution digital copy no less than 600dpi as either a jpg or a tiff file format which will be used for print  
AND

A printed photograph no smaller than 5"x7" and no larger than 8 ½"x 11"  
*The photograph is necessary for display so that visitors may vote.*

**The Museum will not print this for you.** Digital copies may be sent by CD, USB memory or via email

There are no limitations to the style of photography submitted, as they may be color, black and white, monochrome, altered or retouched. However, photos should be representative of the Museum, which is about motors, transport vehicles and industrial equipment... not about colors, textures or unrecognizable nuances. The monthly winner will be used for the same month as a calendar picture.

**D. Quarterly themed contest entries** must relate to the theme specified on the web site for the particular quarter. This can be found on the "Photographers Gallery page" under the "Quarterly Theme Winner" section.

**E. Entries from participants** must be submitted before the posted deadline of each contest. Entries received past the deadline, or which have not yet been selected to be a winning photo may be used for the following contests, only if entry is to be used for the monthly contest. Participants may not submit more than 1 (one) photo per contest. Only photographs that have been taken on the Motor Transport Museum's premise or of Motor Transport Museums' participation in other functions will be accepted for contest use. The Motor Transport Museum has the right to refuse any photograph considered by them to be inappropriate. This means photographs containing nudity, sexual content or innuendos, vulgarity, racial or political slander or anything the majority would consider to be in bad taste, will be rejected. **Good Luck and happy photographing...**

Entries should be mailed to:

**Attn. PHOTO CONTEST  
Motor Transport Museum  
31949 Highway 94  
Campo, California 91906**

The "Digital Entry" may be sent via e-mail to: [motortransportmuseum@gmail.com](mailto:motortransportmuseum@gmail.com)  
**(Subject:) MTM PHOTO CONTEST**

**All participants must sign and send in the MTM PHOTO CONTEST ENTRY FORM along with their entry.**
